

AMENDMENTS TO THE DRAWINGS

Please delete Figure 8 from the specification and replace it with the Replacement Sheet Figure 8 submitted concurrently with this response. Annotated Sheet Figure 8 (also submitted concurrently with this response) shows the changes between the originally filed Figure 8 and the Replacement Sheet Figure 8.

REMARKS

Applicants have amended the specification to properly identify the amino acid sequences set forth in Figure 8 by adding SEQ ID NO identifier designations to the description of Figure 8 and Figure 8 itself. Support for these amendments can be found throughout the specification and specifically on page 11, lines 14 and 21. Applicants aver that these amendments do not add new matter.

Conclusion

Although there are no fees believed to be due in connection with the Examiner is authorized to charge any fees applicable in the instant, as well as in future communications, to Deposit Account No. 50-1774, Ref No: CST-209. Such an authorization should be treated as a constructive petition for extension of time in the concurrent as well as future replies.

Respectfully submitted,
